BECAUSE OF YOU!

As we reflect on this past year, we're grateful for the incredible momentum our Scully Learning Center family helped create. Together, we raised nearly \$150,000, allowing us to expand our impact in meaningful ways. Our community grew as well—we welcomed over 380 new followers and supporters, increasing awareness and strengthening the foundation of our mission.

This year also brought exciting program growth. We increased our enrichment activities, welcomed new participants, and celebrated the launch of our very first Scully Learning Center Greeting Card Box Set, created with love and talent by our artists.

While we did not yet purchase land, we made significant progress by exploring several promising parcels and remodel-ready homes. We also completed important research into city requirements and permitting—key steps that move us closer to securing a future permanent home for SLC.

Thanks to your support, we are entering the new year with gratitude, enthusiasm, and a renewed commitment to our mission.

Pennies for Preserving Families

The U.S. Treasury has begun phasing out the penny, ending its production, making it obsolete and useless in the US economy. As there are significant pennies still in circulation we'd like to collect as many of them as possible exchanging them for dollars. We will have several collection spots as well as be present in as many community events (Farmers Market, Cave Creek Rodeo Days, Biker Week, etc.) as possible collecting pennies.

You will find our jars at weekly Farmer's Markets, weekly Kiwanis Club of Carefree's meetings, Kiwanis Marketplace, and more!

Greeting Cards Made with Love

Creativity with a Cause

We are excited to share a special fundraiser that brings together creativity, community, and compassion. Participants recently teamed up with the Sonoran Arts League to design a beautiful collection of greeting cards—12 cards for just \$30—with proceeds supporting our programs and mission.

Upcoming Fundraisers

Join us as we kick off a new year of community support with exciting fundraisers that help fuel our programs and enrich the lives of our participants.

Keep watching for more information!

Bites for Change

We hope to partner with several local restaurants that will share a percentage of sales from a selected menu item(s) sold during a specific period of time (Cave Rodeo Days and Parade, Biker's Week). For example, we are hopeful of receiving a percentage of weekly sales of a restaurant's specific appetizer, such as chicken wings, a popular lunch or dinner menu item or a dessert the restaurant is well known for during the weeks of the Cave Creek Rodeo Days and Biker Week.

Dancing with the Desert Stars

Dancing with the Desert Stars will be an exciting black-tie fundraising event full of all the fun, glitz, and glamour of the hit TV show Dancing with the Stars! Local celebrities will learn a choreographed routine and perform at the Gala with a professional dance partner in a competition mirroring the TV show. A panel of celebrity judges, along with the audience, will select the winner who will win the coveted mirror ball trophy and \$ (to be obtained from a sponsor/donor) for SLCF (or charity of their choice if we combine forces). The gala will include a VIP cocktail reception, passed appetizers, the competition, professional performance, as well as performances from developmentally disabled adult dancers and live music.

Heroes From Above

Support the Cause

Together, we can be the "heroes from above" for those in need.

Every dollar raised from the song goes directly to programs addressing homelessness and rebuilding efforts.

Do you know a musician, artist, celebrity or someone who can lend their voice or talent to our cause? Every connection counts. Together, we can turn this dream into a reality.
